Please use black text and grey scale images only and a 300 dpi resolution when creating your disc.

Template Legend:

Outer Cirlce - The blue line is the edge of the CD, please have your art go to the dotted blue line to
make sure there is no blank space

Inner Circle - The orange line is where the CD starts, please have your art either go to the green line
or fill the entire circle

**Note: Please do not have the lines over the art, please have art over the lines
